

## A Comparison

CSPAN presents Senate  
at ease, distorted  
classical

music in the background.  
waiting for vote  
tabulation, Senators

chum around or stare  
profoundly, like Hamlet,  
or sit and fart.

And ALL SO  
FUCKIN  
IMPORTANT!

Rather, self-impotant.  
Hey! Tony the Crazy Mechanic  
is self-important.

But he can only fuck up a few cars.
